

Corvus energy bergen DR Congo

Where is Corvus Energy based?

Bergen,Norwayand Vancouver,Canada - September 6,2019 - Corvus Energy celebrated the grand opening of its automated battery factory in Bergen,Norway.

What makes Corvus Energy unique?

Technological excellencein combination with Maritime DNA has made Corvus Energy pioneers in their field with the highest number of installations worldwide. We believe the combination of clean fuel and fuel cells together with batteries is the solution to reach the goal of zero emissions by 2050 for the marine industry.

What is Corvus Energy ESS?

Corvus Energy offers a full portfolio of ESS suitable for almost every vessel type,providing high power energy storage in the form of modular lithium ion battery systems. The purpose-built,field-proven battery systems provide sustained power to hybrid and all-electric heavy industrial equipment,including large marine propulsion drives.

Why did Toyota invest in Corvus Energy?

This investment will provide Corvus with even fuller access to Toyota's cutting-edge expertise in both fuel cells and battery technology, strengthening Corvus's ability to bring innovations to a rapidly evolving industry. Corvus Energy is the leading supplier of zero-emission solutions for maritime, offshore and port applications.

Bergen, Norway and Vancouver, Canada, April 4, 2022--The Corvus Energy Hydrogen Fuel Cell System developed through the H2NOR project has received Approval in Principle (AiP) by DNV for its groundbreaking safety solution enabling simplified placement of the system inside a ship's hull.This is the first fuel cell system (FCS) designed to be inherently gas ...

Bergen, Norway; Richmond, BC, Canada; and Skien, Norway - February 6, 2019 - February 6, 2019 - Corvus Energy Holding AS, the world-leading supplier of Energy Storage Systems (ESS) to the maritime industry, has signed an agreement to acquire all shares in Grenland Energy AS.Grenland Energy, located in Skien, Norway in the heart of the Grenland ...

November 7th 2024, BERGEN -- Corvus Energy, the leading supplier of zero- emission solutions for the maritime industry is proud to announce that, as of this week, Corvus Energy battery ...

Bergen, Norway and Vancouver, Canada, November 16, 2023. Corvus Energy, the leading provider of Battery Energy Storage Solutions and Fuel Cell Systems for the marine sector, is thrilled to announce that they have been awarded Type Approval from DNV (Det Norske Veritas) for their Cyber Security Notation on the Control and Monitoring system of their Orca ...

Corvus energy bergen DR Congo

The battery factory in Bergen will supply Corvus' largest market--the growing European market--and contribute to employment in Bergen and across Northern Europe. Built on time and on budget, the factory ...

Bergen, Norway 20.06.2024 . Corvus is pleased to share that the company has received the prestigious Norwegian Technology Award 2024 (ESS) for maritime, offshore and port applications. Corvus Energy offers a full portfolio ...
