Who is Sako solar?

Who Is SAKO ? SAKO specializes in developing,producing,and selling power &solar products;SAKO is a specialist in off-grid solar systems and storage lithium batteries. SAKO's main products are off-grid inverters,lithium batteries,photovoltaic modules,and home energy storage systems.

Where is Sako based?

SAKO headquarter locates in Shenzhen,factory in Dongguan,with 20 engineers,400 staff and 30,000 square meters factory area. Sako main products includes: solar inverter,micro inverter,lithium battery,solar panel and energy storage system. SAKO develop 2-3 new products every 3 months.

What are the main products of Sako Solar System?

Sako main products includes: solar inverter,micro inverter,lithium battery,solar panel and energy storage system. SAKO develop 2-3 new products every 3 months. As Sako produce key components of solar system by itself,it has advantage on cost control and quality control.

What kind of solar inverter does Sako offer?

SAKO has developed a wide range of products,including off grid inverters,modules,and solar lithium batteries,so that you can find a complete range of solar systems at SAKO. Capacity: 500VA~100KVA Types: Off Grid Solar Inverter &Hybrid Solar Inverter Capacity: 50A~600AH (1.288KWH~500KWH) Rated Voltage: 12.8V~512VDC

What products does Sako offer?

SAKO's main products are off-grid inverters,lithium batteries,photovoltaic modules,and home energy storage systems. SAKO will provide you with a full range of solar products and professionally customized solutions.

Why should you choose Sako Solar System?

As SAKO produces all key components of the solar system by ourselves,we have the advantage of cost control and quality control. Customers can do one-stop shopping from SAKO and we give a warranty to the whole system based on our rich experience. Both SAKO company and its products are qualified for export.

Guangdong SAKO New Energy Co., Ltd, with brand as SAKO,is the professional manufacturer engaged in research, development, sale and service ofhigh quality power and solar products. SAKO main products cover: home inverter,solar inverter, solar panel,lithium iron battery pack and storage solar system.

The company has established a relatively perfect core technology system, focusing on providing high-efficiency, high-power density and simplified power supply architecture and power solutions to meet the
