

Dukosi Ltd Isle of Man

Where is dukosi based?

Dukosi said it will continue to build its activities at its base in Heriot-Watt University Research Park and subsequently through global expansion. Dukosi chief executive Nat Edington said: "The team and I are delighted to announce this exciting development for the company, as we move to bring our ground-breaking technologies to market."

What companies has dukosi been a part of?

Prior to joining Dukosi, he held senior positions at major companies in the semiconductor industry from startups and scaleups to large multi-billion-dollar companies, including XMOS, Renesas, Dialog Semiconductor, Frontier Silicon, and Sony Semiconductor.

Who is dukosi CEO Mark Pinto?

CEO Dr. Mark Pinto is a technology industry executive who has led diverse, innovative organizations in semiconductors, telecommunications, large area displays and renewable energy. Before assuming the role as Dukosi CEO, he served on Dukosi's Board of Directors and was an Operating Partner with the investment firm KCK-US.

A Dukosi DK8102 Cell Monitor is installed on each cell, which captures accurate measurements of Voltage and Temperature. Each Cell Monitor uses Dukosi's proprietary C-SynQ™ communication protocol to synchronously send data to a Dukosi DK8202 System Hub using near field RF via a single bus antenna placed over the battery pack cells. The ...
