

Eenovance energy Zimbabwe

Who is eenovance energy technology?

Eenovance Energy Technology (Shenzhen) CO.,LTD stands as a distinguished leader in the realm of energy storage systems,catering to both residential and commercial & industrial sectors. Our corporate headquarters,nestled in the vibrant city of Shenzhen,China,symbolizes our commitment to excellence and innovation.

What does eenovance do?

Eenovance's unwavering dedication is singularly directed towards Energy Storage Systems(ESS),solidifying our position as trailblazers in the industry. Our commitment extends beyond conventional norms,as we aspire to develop innovative,environmentally friendly energy storage solutions that not only meet but exceed customer expectations.

Where are eenovance batteries made?

Headquartered in Shenzhen,China. One ISO 9001 manufacturing factory in Dongguan. Eenovance new factory is set in Dongguan,which has advanced battery pack production lines together with automatic laser welding production line (IPG brand),high-end level battery testing equipment,production capacity is about 5GWh per year.

Why did eenovance invest in high-end battery testing equipment?

The integration of high-end battery testing equipment further fortifies our capabilities,empowering Eenovance to elevate both production capacity and product range. This strategic investment underscores our confidence in delivering products and services of the highest quality.

Shenzhen EEnovance Energy Technology Co.,Ltd is a professional manufacturer of energy storage systems for residential and commercial & industrial applications. Headquartered in Shenzhen,China. One ISO 9001 manufacturing factory in Dongguan.
