

an't recommend sunshine solar enough. an't recommend sunshine solar enough., 3kw inverter went wrong, it was 2 years out of the warranty, I phoned for some advice, I think it was Mike who helped, he told us to return it and they would look at it, he phoned me back a few days later to say it had gone wrong and that they would send us a refurbished one with ...

Sunshine Solar is a full-service design, engineering, financial analysis, installation and maintenance company for the solar industry. We also specialize in off-grid solutions for customers in remote areas where the power grid is inaccessible. We are not your run-of-the-mill solar company, which is reflected in the quality and craftsmanship of our work.

an't recommend sunshine solar enough., 3kw inverter went wrong, it was 2 years out of the warranty, I phoned for some advice, I think it was Mike who helped, he told us to return it and they would look at it, he phoned me back a few days later to say it had gone wrong and that they would send us a refurbished one with no charge. A big thank you to the whole team at ...

In 2023 Guernsey Electricity worked in conjunction with The Little Green Energy Company to install the vast community-scale solar array at Grow Limited's newly redeveloped headquarters. The 310 photovoltaic (PV) panels will produce 129-kilowatt peak power (kWp).

This 130W Sunshine Solar Power Caravan & Motorhome Kit offers outstanding performance and great value for money. This kit features a Slimline Solar Panel so that even with the narrowest of spaces you can still accommodate our most popular 130W Solar Panel. With the 130 Watt solar power kit you could expect to generate

Guernsey Electricity and Guernsey Post have completed the installation of the largest solar photovoltaic (PV) system in the Channel Islands on the roof of postal headquarters, Envoy House. Electricity is now being generated from the 654 panels mounted on the roof of Guernsey Post and is feeding directly into the Island's network, resulting in ...

Sunshine Solar also installed timers for our hot water cylinders and combined with a new power plan from Contact, the savings are substantial. I am thinking of installing 5 more panels set at a steeper angle to better utilise winter sun. I will be happy to get Sunshine Solar to do this job.
