

Hiq solar inc Uganda

Who owns HiQ solar?

HiQ Solar's fully sealed inverter was recognized by NREL Best Venture Awards 2014, Inter Solar Award 2015 and Global Energy Cleanenergy 2016 Best Solar Product Innovator. HiQ Solar assets will be held by a new subsidiary of Meritronics called Reliable Power, Inc., located in Santa Clara, CA. The business will focus on the following support goals:

What happened to HiQ solar?

We believe HiQ Solar Inc. has shut down their operations after the sale, according to their investors. HiQ Solar, Inc., of Sunnyvale, CA was founded in 2011, and produced high density commercial grade power electronics with advanced technologies for solar and battery storage applications.

Is Uganda a good place to invest in solar power?

Despite solar capacity of just 7% in the country, Uganda's eight hours of sunshine per day represents huge potential for solar power's development. Attracting investment is key. As part of efforts to scale up solar PV investment, the government of Uganda introduced model contracts in their investment guides.

How can Uganda scale up solar PV investment?

As part of efforts to scale up solar PV investment, the government of Uganda introduced model contracts in their investment guides. Additionally, IRENA, the Terrawatt Initiative, and leading international law firms also supported Uganda by drafting simplified and standardised templates for solar PV documents that are publicly available.
