

# How much does it cost to repair defective photovoltaic panels

How much does it cost to repair a solar panel?

If something does go wrong and your solar panels need fixing, repair costs will vary, depending on what the issue is. Small damages can cost around £80 to fix, whilst fully replacing a solar panel can cost over £1,000. There are also a few things, such as solar inverters, that may need replacing along the way.

How much does a solar panel service cost?

A solar panel service will set you back around £100, but it will also prevent any possible future issues for your solar panel system, and hopefully, lead to 30 long years of solar-soaking panels. Cleaning your solar panels will also help avoid issues, and if you don't want to do this yourself, solar panel cleaning costs £100-£150.

Do solar panels need repairs?

Solar panels require repairs for all sorts of reasons. Some are simply old while others become physically damaged. Whatever the cause, repairs are often necessary to help maintain your solar panel's overall performance. Here, we answer some of the common queries about solar panel repairs. What is the lifespan of a solar panel?

How much does it cost to clean a solar panel?

Over time, dirt, dust and debris, along with bird droppings and other grime, can build up. This can affect the performance of your solar panels. Ideally, you should have your solar panels cleaned every six months or so. This could cost anywhere between £4 and £15 per panel.

How do I choose a solar panel repair company?

Ideally, you'll choose a solar panel repair company that can help to service and repair your solar panel system for many years to come. Help get that selection right first time by checking out online reviews from previous customers. For such an important investment in your home, this simple action will provide the reassurance you need.

Can you fix a broken solar panel?

However, broken or severely cracked panels may need to be replaced. It's not recommended to attempt to fix a solar panel yourself as this could affect your warranty. Plus, working at height is dangerous without proper training. How do you fix solar panels?
