

Navigating our Energy Future: Marshall Islands Electricity Roadmap. For further information please contact: Angeline Heine, RMI National Energy Office gelheine@gmail.com 01 The Republic of the Marshall Islands is calling for ambitious action by all countries to reduce greenhouse

OVERVIEW. The MV Indies Trader, currently in the Marshall Islands, offers the most authentic surf exploration experience - it is by far the most travelled surf vessel in the world's history. During the course of the 1980's and into the mid 1990's Martin and the MV Indies Trader were responsible for discovering the vast majority of surf breaks along the Sumatran coastline ...

Options in the Energy Sector (World Bank, et. al., 1991); Marshall Islands National Energy Policy 2002 (draft, 2003); Republic of the Marshall Islands Ministry of Resources and Development Strategy and Action Plan 2005-2010 (2004); the Marshall Islands National PIREP Report of the Pacific Islands Renewable Energy Project (RMI GEF/SPREP, 2005 ...

for "an improved quality of life for the people of the Marshall Islands through clean, reliable, affordable, accessible, environmentally appropriate and sustainable energy services." This energy mandate is consistent with "Vision 2018", the Marshall Islands Strategic Economic Development Plan for 2003-2018.
