Our reproduction 1740 Long Land Pattern (1st Model) Brown Bess features a .74 caliber barrel, hardwood stock, and bright finish. The brass hardware and double bridle lock distinguish the musket as a later variation of the long lived Long Land muskets. The weapon has authentic lock markings, aprons, and brass furniture.

20th c. Americana Iron Bed by Heiressy made in the USA, high-end luxury iron beds, an interior design favorite in dark bronze. Heiressy wrought iron beds iron headboard and footboard design with a sturdy metal bed frame in queen, king ...

Based in Somerset, near Glastonbury, Nights in Iron is a family run company and have spent over 30 years perfecting traditional blacksmithing skills combined with modern welding and engineering processes to achieve these beautiful strong, handmade, wrought iron beds.

When did metal beds become popular? Cast and wrought iron bed frames were introduced at the end of the 19th century, in the Victorian age. From pouring the hot iron to polishing the detailed castings, vintage iron bed frames were handmade in every step of the manufacturing process.

Our Iron Beds are all handcrafted in our factory located in California where we pride ourselves on every product we create for over 80 years. Almost all our our designs are available in any of our ultra durable finishes and all 5 sizes, Twin, ...
