At International Recreation Corporation (iREC) we draw on decades of world-wide playground expertise. With design, distribution, and manufacturing centres in Canada and the Philippines, iREC is a world leader in play-based entertainment.

As a pioneer company in the field of renewable energy, IREC has been offering complete renewable solutions, tailored to our individual customer requirements. Our recommendations are based on a thorough understanding of the renewable energy market and the bottom line financial considerations governing our customer's investment.

Currently, in November 2024, legionnaires of the 1st Foreign Engineer Regiment (1er REG) are deployed to Mayotte in the Indian Ocean. See some images. In Mayotte, combat engineers of the 3rd Company 1er REG are part of the 5th Foreign Regiment (5e RE), a recently recreated unit. They are deployed to this French-controlled island for several months.
