

Is it legal to install photovoltaic panels in a rented house

Do you need planning permission to install solar panels on your roof?

An increasing number of people are investing in solar energy. More and more homes are having solar panels, or solar tiles, installed on their roofs. Of course, with such installations, the topic of planning permission and building regulations often comes to the surface.

Is it legal to install solar panels?

It is legal to install your solar panels; however, you must adhere to all building and electrical regulations, which might necessitate professional certification and can affect eligibility for incentive schemes. What happened to the Feed-in Tariff (FIT) scheme?

Can solar panels be built without permission?

This is because they generally fall under permitted development rights, which allow homeowners to make reasonably sized changes without getting permission. The exceptions to this rule are typically flats, listed buildings, homes in conservation areas, and ground-mounted installations. What are the building regulations for solar panels?

Can a rent-a-roof company install solar panels?

Where an installation is owned by a rent-a-roof company, we would expect there to be a signed 'agreement' between the relevant parties, i.e. the homeowner and the rent-a-roof company, such as a lease agreement, with the homeowner agreeing to rent their roof to the company for the purposes of installing solar PV panels.

Can you install solar panels on your roof?

Homes and businesses will be able to install rooftop solar panels more easily, under new rules announced today. Changes to permitted development rights rules will mean more homeowners and businesses will be able to install solar panels on their roofs without going through the planning system.

Can solar panels be installed without a planning system?

Changes to permitted development rights rules will mean more homeowners and businesses will be able to install solar panels on their roofs without going through the planning system. Currently those who have to go through the planning system are having to wait over eight weeks and face extra costs.
