

Microgrids possess rotating generators and inverter-based renewable resources and have limited inertia. The stability of a microgrid is affected by the parameters of controller and system ...

Advisory Experts. Research. Introduction. Research Fields. ... senior personnel, he was involved in several projects (~8 million USD), e.g. SiC based PCS development for asynchronous ...

Tsinghua University | TH ... Connect with experts in your field. ... thus microgrids on islands need to be invested. Different from onshore microgrids, offshore microgrids (OM) are usually ...

Tsinghua University | TH ... Contact. Connect with experts in your field. ... Microgrids, consisting of distributed generators (DGs), loads, and energy storage systems, play an important role in ...

Zhiyuan Jing, microgrid expert of Daqing Oilfield of CNPC, and Qingbo Kang, renewable energy expert from PetroChina Huabei Oilfield Company, presented their speeches on "Daqing Oilfield Intelligent Micro-grid" ...

Resilient operation of multi-energy microgrid is a critical concept for decarbonization in modern power system. Its goal is to mitigate the low probability and high damaging impacts of...

Dr. Kai Sun was born in Beijing, China, 1977. He received the B.E., M.E., and Ph.D. degrees in electrical engineering all from Tsinghua University, Beijing, China, in 2000, 2002, and 2006, ...

An asynchronous microgrid (ASMG) with silicon carbide (SiC) MOSFET-based power conditioning system (PCS) is an attractive option for future microgrids, which can potentially improve microgrid ...

2008-2012, Application and Fundamental theory research of Microgrid System. Special Project of National Natural Science Foundation of China 2008-2010, Laboratorial Platform Establishment and Operation & Control Research of ...

In microgrid clusters, the subgrid load-priorities and power quality requirements for different areas vary significantly. To realize optimal power exchanges among microgrid clusters, this paper ...

Zhimeng WANG of Tsinghua University, Beijing (TH) | Read 3 publications | Contact Zhimeng WANG ... Connect with experts in your field. ... thus microgrids on islands need to be invested. ...

List of Tsinghua University Microgrid Experts
