About Viridity Energy. Viridity Energy is a demand response, demand management, and battery storage solutions provider. Through its VPower software-as-a-service and services platform, Viridity helps customers cut electricity prices through peak-shaving algorithms; and maximize cash revenue per unit of load through proactive, automated real-time sales of load flexibility ...

Additional contingent consideration will be payable in two installments upon the achievement of certain performance milestones measured at the end of fiscal years 2017 and 2020. The acquired assets of VEI will be injected into a newly incorporated company named Viridity Energy Solutions Inc.(Viridity), which is a wholly owned subsidiary of Ormat.

Smart grid companies such as Viridity Energy are finding profitable opportunities to help their customers cut energy bills and simultaneously get credit for greater environmental responsibility. But will consuming fewer "dirty" watts from fuel sources such as coal and natural gas be a sufficient objective for customers in the future? What will rising societal expectations, ...
