Does Sunoco own NuStar Energy?

As of May 3, 2024, Sunoco has successfully completed its acquisition of NuStar Energy L.P. Find out more [here](#).

Who is NuStar Energy?

About NuStar NuStar Energy L.P. (NYSE: NS) is an independent liquids terminal and pipeline operator. NuStar currently has approximately 9,500 miles of pipeline and 63 terminal and storage facilities that store and distribute crude oil, refined products, renewable fuels, ammonia and specialty liquids.

Will a deep-pocketed buyer buy NuStar Energy (NS)?

It's safe to say that most investors dream of the day when one of their companies is bought out for a premium by a deep-pocketed buyer. That dream became reality for unitholders of energy transport and storage specialist NuStar Energy (NS) on Monday. A far larger peer has swooped in to purchase the company, and the buyout price is generous.

Was NuSTAR a successful integration?

The most recent Q2 2024 earnings reported was the first financial update following the NuStar acquisition (which was completed in May 2024), and it largely suggested that the initial stages of the integration had been successful.

How did the NuSTAR acquisition affect Sun?

The NuStar acquisition had major impacts on the remaining two SUN segments, Pipeline Systems, and Terminals, and added profits totaling \$261 million in Q2 2024. Pipeline Systems, which is an entirely new segment, reported a profit of \$172 million and an adjusted EBITDA of \$53 million, which includes a one-time transaction cost of \$58 million.

How much money did NuSTAR make in 2023?

The acquisition transfers the 9,500 miles of pipeline and 63 terminal and storage facilities over to SUN, which creates a diversified giant in the midstream and downstream oil and gas industries. In 2023, NuStar reported full-year revenues of over \$1.63 billion and a net income of \$273.7 million.
