Reliable, Robust, Durable. 's Helix solar systems are fully integrated and designed to maximize solar production at your facility. By combining their high-efficiency solar panels, proprietary roof and canopy racking systems and the industry's leading 25-year warranty there is a good reason why they are the #1 commercial solar solution in the U.S.

The installation of a 7kW solar system could earn a \$1,400 deposit from the state! This incentive was once \$1.00 per watt before savvy homeowners took advantage and it will continue to decrease as more people install solar systems. Kamtech and SunPower collect this grant from NYSERDA directly, reducing your cost to install solar. Start Saving
