

Nongji brand photovoltaic panel volume Longji

What is Longi high-efficiency solar module?

LONGi High-efficiency solar Module, widely adopting PERC solar cells technology, Half-cut Module Technology and Bifacial PV technology, Mono Silicon Crystalline Technology has become a leading manufacturer and brand in the export and installation of monocrystalline silicon solar photovoltaic module.

Why should you choose LONGi Solar panels?

High efficiency modules supplied by LONGi have been applied widely across the globe from grassland on high lands, deserts, water ponds to households. The solar modules benefit customers and local economies with high value advantages of greater efficiency, lower light degradation and higher reliabilities.

How many solar panels will Longi ship in 2021?

With production capacity expanded for solar wafers, cells and modules last year, and set to rise again in 2021, the giant is targeting shipments of 40 GW of panels this time around. Longi is aiming to ship 80 GW of wafers this year. Image: Longi

What was Longi's production capacity in 2021?

In 2021, the company's production capacity for wafers and modules had reached 105GW and 60GW respectively. In 2021, LONGi achieved wafer shipments of 70.01GW, and shipped 38.52GW of mono-crystalline modules. Reliable, top-quality, high performance innovation

Why is Longi a leader in the semiconductor industry?

*LONGi took the industry lead in standardizing wafer size and achieving 100% diamond wire cutting of mono silicon wafer. *In 2021, the company's global sales performance, market share and brand influence ranked it 1st in the world, with its total shipment volume of domestic and exported modules exceeding 2nd place by more than 10GW.

What is Longi innovation?

LONGi innovation is continuously raising the bar, setting conversion efficiency world records, and staying on the leading edge of P-type TOPCON, N-type TOPCON, N-type HJT, P-type HJT and other solar technologies.

Nongji brand photovoltaic panel volume Longji

LONGi High-efficiency solar Module, widely adopting PERC solar cells technology, Half-cut Module Technology and Bifacial PV technology, Mono Silicon Crystalline Technology has become a leading manufacturer and brand in the ...

For the price that you pay for this solar panel it's extremely good value. All round this solar panel is probably better than any others in the same price range. Due to its high conversion efficiency, long warranties and 6 ...

China Longi Solar Panel catalog of Tier1 Longi 440W 450W Solar Panel From Original Factory A Grade Solar Module, Longi High Power Output 455W Tier 1 Solar Panel provided by China manufacturer - Hefei Pinergy Solar Technology ...

China's Longi to Build New USD346.6 Million Plant for Solar Panel Dominance (Yicai Global) June 17 -- A unit of China's Longi Green Energy Technology, the world's largest ...

What we know about the LONGi Solar panel brand. Longi Solar is a Chinese solar panel manufacturer that was founded in 2000 and has since become one of the world's largest solar companies. The company specializes ...

In 2020, based on the pillars of quality, cost and brand, LONGi fulfilled market demand for mono products. Sales of mono wafers and modules increased significantly year on year, with steady growth in operating revenue ...

Fig.3: PV ModuleTech Bankability Rankings: Q4'19 Pyramid (source: PV-Tech PV ModuleTech Bankability Rankings Report) Year 2020. Based on the quarterly report of PV-Tech Research in 2020, LONGi is still the ...
