

Norfolk Island sumry hybrid inverter

Does Sumry make 230V AC inverters?

Sumry claims to have been making/selling PV AIO's and inverters since 2004. Looking at their website shows only Euro/Asian models designed for 230vAC 50hz operation. They have started to offer units for the American standard 120vAC. This particular model is rated at 3.6kW (30a) AC at 120v.

Does a Sumry work with a 2x12 volt battery?

This Sumry works only with 2x12(24) volts on battery. I have connected the battery to a Y&H 1kw 15-30 (single panel) input GTI. Sumry peaked out so far at 1.3 kw from panels but I am probably not loading it down fully. This Sumry box does seem to have excellent MPPT with wide input voltage range.

Does Sumry have a 24VDC AIO?

They now have several editions of 24vDC AIO's. Some SRNE, Voltronic and whatever underlying manufacturer of this Sumry one is. They differ in capacity from 3,3.2 and 3.6kW and the range of PV Voc capability. All output 120vAC. None however allow parallel or stacked setups.

What kind of battery does a Sumry 3.6kW box use?

I have the Sumry 3.6kw box running with 11 60-cell Canadian Solar 250w panels (laid flat for minimal wind concerns). Two deep cycle lead acid 100 AHbatteries in series for now. This Sumry works only with 2x12 (24) volts on battery. I have connected the battery to a Y&H 1kw 15-30 (single panel) input GTI.

How much does a hybrid inverter cost?

Picked up a new Hybrid inverter from EBay today. It was ordered on 7/29 and received on 8/2. Price was \$345 with shipping. Tax brought it to \$369 This review is a simple first look at it that eventually will be continued later with a operation review once I place it into service.

Who is Sumry energy (Shenzhen) Ltd?

Sumry Energy (Shenzhen) Ltd. was established in 2004 with the registered trademark of SUMRY. It is a production-oriented entity enterprisespecializing in the R &D,production and sales of inverters,UPS systems and solar power systems.

With both appearance and technology, Sumry opens a new era of household inverters; New product launch | Sumry Energy introduces new off grid solar inverter; Vaccinating new crown vaccine to build a healthy defense line----Sumry Energy Ltd organized the company"s employees to receive the new crown vaccine

Sumry claims to have been making/selling PV AIO"s and inverters since 2004. Looking at their website shows only Euro/Asian models designed for 230vAC 50hz operation. They have started to offer units for the American standard 120vAC. This particular model is rated at 3.6kW (30a) AC at 120v.
