

Photovoltaic panel construction scam case sharing

Are free solar panels a scam?

Remind prospective customers that while tax credits, rebates, and incentives might be available for solar purchasers who qualify, offers for "free" or "no cost" solar panels are scams. Comply with the law: old and new. Reputable companies know the importance of being honest about what they're offering - and how much it costs.

Are 'fake' solar companies a scam?

Beware of any company asking you to make a big deposit before they have completed their installation. This is one of the most common ways 'fake' solar companies have targeted consumers - whereby they take a hefty deposit and then never turn up to carry out the installation. This is common solar scam.

Did a company defraud solar panel owners?

A company which defrauded solar panel owners by selling them goods and services they did not need has been ordered to pay back its victims hundreds of thousands of pounds.

Should I add solar panels to my home?

Adding solar panels to your home can be one of the best decisions you can make. Solar is currently helping millions of Americans save money on their energy bills, and incentives like the federal solar tax credit are making solar more affordable than ever.

Are solar panels free?

As far as actual free solar panels go, there are some small programs in places, like the Solar for All program in Washington D.C., geared toward low-income households that offer modestly-sized solar panel systems for free. Very few homeowners will be able to qualify for these low-income solar programs. How much will solar panels cost you? 2.

Are solar panels more affordable than a decade ago?

Furthermore, the cost to install solar panels has become more accessible to homeowners than over a decade ago. Therefore, it's no surprise that more and more people are turning to renewable energy in a bid to become more self-sufficient and less reliant on the grid.

Know that "free" or "no cost" solar panel offers are scams. The federal government does not install solar systems in homes for free. If you're considering whether solar energy is right for you, ...
