

Does Boeing offer a CH-47 Chinook helicopter to Poland?

KIELCE, Poland, Sept. 5, 2024 -- Boeing [NYSE: BA] is offering the CH-47 Chinook heavy-lift helicopter to Poland. The announcement was made at the annual MSPO International Defence Industry Exhibition where Boeing is highlighting advanced defense systems, capabilities and services.

Why is the Chinook important to Poland?

"The Chinook has been a key part of the European defense and humanitarian relief missions for more than five decades and would enhance Poland's cooperation with allied forces, and support the country's defense needs," said Tim Flood, senior director, International Business Development for Europe and Americas.

Will Boeing buy a helo in Poland?

With the potential purchase in mind, Boeing, the manufacturer of the Chinook, has intensified its efforts to promote the helo in the Polish market. The company presented the aircraft at the MSPO defense industry show, the country's largest annual industry event, which was held between Sept. 2 and 5 in Kielce, central Poland.
