About Us : Qingyuan Vasworld Power Co., Ltd., founded in 1980, is an oversea sales dept. of Qingyuan Vasworld Power. We are located in Haoliang Industrial Zone, Longtang Town, Qingyuan City, Guangdong, China.

Wide operational temperature, high reliability and safety, and low environmental impact make lead-acid batteries the best choice for powering different kinds of electric vehicles and other ...

Vasworld Power was first established as a business department in Jiangxi Province, China, engaging in manufacturing lead-acid batteries. In 1998, we seized the opportunity and paved our way to cross-border business.

Vasworld Power has been dedicated to leading acid battery manufacturing for more than 30 years, developing our R& D team and labs to keep track of market dynamics, and refining and innovating battery products.

Since so far, markets for vasworld power have reached international market, e. g. Africa, Middle East, Southeast Asia, South American, North American and South European countries. And We have been committed to building China's most professional lead-acid battery supplier.

Wide operational temperature, high reliability and safety, and low environmental impact make lead-acid batteries the best choice for powering different kinds of electric vehicles and other power-oriented applications.
