Locals also suggest you become familiar with Norfolk's very unique road rules before you hit the road. Over two millions years ago, Norfolk Island was formed by volcanic activity creating a rugged landscape of hills and valleys. The island is now covered in more than 120 kilometres of road - which is why a hire car is highly recommended.

Postcode 2899 Solar Power Statistics. In Norfolk Island's postcode area (2899), more than 771 small-scale systems have been installed with a collective capacity of 3,759 kW as at October 31, 2024.
