For a country with a population of not much more than one million and a land area of only about 15,000 km², Timor-Leste (East Timor) has been the focus of a disproportionate level of international intervention. Since 1999 four major UN missions, in parallel with two UN-approved military coalitions, have been deployed in the territory.

Timor-Leste, one of the strongest democracies in southeast Asia, is taking further strides to become a new jurisdiction in the online betting and gaming sector as complement to regimes in Malta and the Isle of Man. The Virtual Gaming Association (VGA) of Timor-Leste hosted a special industry event on Friday, February 2, that revealed [...]

Timor-Leste is a developing country that takes up half an island situated between Australia and Indonesia. It is one of the youngest democracies in the world. Since the year 2007, its economy became one of the fastest-growing ones, from modest petroleum resources revenues. You might find it a bit challenging to do business in Timor-Leste, but ...

It has the resources from a properly managed Petroleum Trust Fund, to test innovative solutions to development. Timor-Leste was also among the first countries to commit to the 2030 Agenda for Sustainable Development and since then, the country has conducted two voluntary national reviews (VNR), the latest of which was presented at the High ...
