

Switzerland photonic universe ltd

PHOTONIC UNIVERSE LTD - Free company information from Companies House including registered office address, filing history, accounts, annual return, officers, charges, business activity. Cookies on Companies House services. We ...

This powerful 1000W 48V wind turbine provides an efficient and reliable source of electricity for both on-grid and off-grid applications. This turbine is designed for use in a wide range of ...

At Photonic Universe we love high quality solar products. That's why we have developed this highly durable semi-flexible solar panel reinforced with anodised aluminium and a strong ETFE ...

E27 12V Light bulb holder with a 5m 0.3mm cable with on/off switch and DC plug, for all Photonic Universe lighting systems £15.99 3W 12V LED High efficiency light bulb with E27 fitting

This Photonic Universe Uninterrupted Power Supply (UPS) system is suitable for both mains-powered and off-grid applications where a stable and reliable source of AC power is required. ...

The complete packaging offering - including optical, electrical, thermal and mechanical technology - ensures a controlled interfacing of photonic systems with the environment. Building up on a long history of precision engineering in ...

Photonic Universe Ltd is a well established supplier of solar power products based in Orpington, South-East London. We provide solar panels, solar electronic equipment, solar charging kits, ...

This 40W Photonic Universe folding solar kit includes all you need for charging 12V battery: - High efficiency 20W+20W folding solar panels - Advanced fully automated 10A solar charge controller with many protection functions - Adjustable aluminium stand, handle and latches - 5m cable with a battery plug and a fuse - Battery crocodile clips for ease of connection - Sturdy protective case ...

At Photonic Universe we love high quality solar products. That's why we have developed this highly durable black semi-flexible solar panel reinforced with fibreglass plastic and a strong ETFE surface and made from monocrystalline ...

This Photonic Universe 1440W 24V Complete Off-grid Solar Power System is the perfect ready-to-use kit for off-grid applications requiring a reliable and constant source of power for ...

360W Photonic Universe monocrystalline Solar Panel for Any Off-Grid, Hybrid or Grid-tie Applications : Amazon .uk: Business, Industry & Science. ... Photonic Universe . Photonic ...

Switzerland photonic universe ltd

This 80W Photonic Universe folding solar kit includes all you need for charging 12V battery: - High efficiency 40W+40W folding solar panels - Advanced fully automated 10A solar charge ...

3.6kW 48V Complete Off-grid solar power system with 12 x 300W solar panels, 5kW hybrid inverter and a 24kWh battery bank. Includes 12 x 300W solar panels, a 5000W 48V hybrid inverter with integrated 80A 500V MPPT solar charge controller and 60A mains battery charger, a 24kWh battery bank and connection cables

Photonic Universe Ltd is a UK-based renewable energy company involved into design, marketing and distribution of solar panels and solar power products for various applications in the UK and Europe. Thousands of our clients rely on our products to generate clean energy for their households, vehicles, boats and remote places with no access to ...

Photonic Universe Ltd is an established supplier of solar, wind and other battery charging solutions based in London, United Kingdom.. We primarily offer solar and wind power products, including complete solar systems for various applications. Our thousands of worldwide clients rely on our products to generate clean energy for their households, vehicles and boats, as well as ...

Caravan with solar. I bought a caravan with solar fitted and Photonic Universe controller and LCD, while i received the manuals for the Photonic equipment i was unsure of a couple of things with the solar installation, On contacting Photonic i was amazed at the quality of customer service supplied, exemplary comes to mind, other companies take note, Photonic know how to keep ...
