According to solar shoppers on the EnergySage Marketplace, the top five solar installers in Georgia are IntegrateSun, LLC, NuWatt Energy, Custom Solar Solutions, Astrawatt Solar Atlanta, and Southern Solar Pro. How many solar companies are in Georgia? Should you choose a local or national solar installer?

Is Georgia a good state for solar?

Georgia is one of the top ten states for solar use, due largely to its sunny climate. The state is supportive of solar, offering homeowners the option of selling back excess energy through a net metering program. What's more, there are financial incentive programs offered locally and through individual installers.

How much solar power does Georgia have?

Georgia has the seventh-highest solar capacity among all states at 5,485 MW as of Oct. 2023. According to the SEIA, Georgia could add 3,485 MW of solar power between 2024 and 2028. This forecast represents a growth rate of more than 63% within five years. Georgia's solar industry has received over \$6.1 billion in cumulative investment.

Is Solar worth it in Georgia?

If you are planning to stay in your home for more than 12 years, solar is worth it in Georgia. That's because it will take, on average, 12 years to reach the break-even point. After 12 years, you will start saving money. If you stay in your home for 25 years, you can save as much as \$23,000.

Are solar panels a good investment in Georgia?

With solar panels, you reduce your consumption of fossil fuel electricity. Long payback period: Because Georgia has below-average electric tariffs, the savings per kilowatt-hour of solar electricity are also lower. As a result, your solar payback period can extend to more than 10 years.

How much does solar cost in Georgia?

The average price per watt of solar power in Georgia is \$2.64/W. These prices are before incentives. After the federal solar tax credit, the final cost will drop by 30%, down to \$21,898 for a 11.83 kW system. Many states even offer local rebates and incentives that lower the price further--sometimes by thousands of dollars.
