

Vietnam solis depot

Solis showcased the S5-EH1P(3-6)K-L energy storage inverter with grid friendly, high efficiency, fast response time, high safety and low losses to reduce energy cost and bring higher return on investment (ROI) for Vietnam's customers.

Solis' interview videos have been simultaneously broadcast on TV stations in Vietnam such as CAFE TEK, NEWS of HTV9, the NEWS of HTV1 public channel as well as other well-known and influential key programs.

#SolisCase in #Vietnam: Take a look at this completed project at Area A, Gleximco, An Khánh, Hoài Duc, Hanoi for a household with monthly electricity bills ranging from 4.5 to 6.5 million VND. Project details:
