Our Dealer Map is a comprehensive tool designed to connect you with our trusted dealers. It provides a visual representation of dealer locations across the region, making it easier for you to find the nearest dealer.

In 1947 Vaino J. Holopainen (Waino) and Roy E. Handy Jr. of the small town of Hubbardston, Massachusetts developed the world's first backhoe. This revolutionary invention that could dig and load by swinging side to side, was also the world's first all hydraulically actuated and controlled machine for digging. Vaino and Roy then formed Wain-Roy Corporation.
